Askari Home Remittance Plus

Premium account for overseas Pakistanis and remittance beneficiaries

Overview

Home Remittance Plus is a specialised PKR savings account designed for customers who receive regular inward foreign remittances — typically overseas Pakistani workers sending money to family in Pakistan, or beneficiaries of such remittances. The account offers preferential profit rates on remittance inflows, free wire transfer receipt, and priority banking services, in exchange for a monthly maintenance fee that is waived when remittance inflows cross a qualifying threshold.

Key Features

Currency	PKR (linked USD/GBP/EUR remittance handling)
Minimum opening balance	PKR 10,000
Profit calculation	Monthly average balance — tiered, with premium tier on balances $\geq$ PKR 500,000
Indicative profit rate	9.75% p.a. on qualifying balances (vs 8.50% standard)
Monthly maintenance fee	PKR 500 per month
Fee waiver condition	Waived in any month when incoming foreign remittances $\geq$ USD 500 equivalent
Wire transfer receipt fee	Free (standard accounts: PKR 500 per transfer)
Debit card	Askari Gold Debit Card — issued free
Cheque book	Unlimited free cheque books
Relationship manager	Assigned for balances $\geq$ PKR 1,000,000
Free counter transactions per month	Unlimited

Eligibility

This account is intended for: (a) overseas Pakistani workers remitting funds home; (b) Pakistani residents who are the primary beneficiaries of regular overseas remittances; (c) freelancers and export service providers receiving regular foreign currency inflows. Documentation required in addition to standard KYC: evidence of overseas employment, overseas residence, or export service engagement (Upwork/Fiverr/Deel statements acceptable).

Important Disclosure

This account is NOT suitable for customers whose income is primarily domestic salary or local business receipts. Such customers will incur the monthly PKR 500 maintenance fee without realising the premium benefits of the product. For purely domestic saving, customers are advised to open the Askari Mahana Bachat Savings account instead.

Profit rates and fees are indicative and subject to change. USD equivalency for the fee waiver threshold is calculated at the SBP closing rate on the last business day of each calendar month. Taxes and levies apply per prevailing regulation.
